Re: Increase of Tap Fee
Increase of Reconnection Fee
Increase of NSF Check Charge
Increase of Delinquent Charges

The Lawrenceburg, Manchester, and Sparta Townships Conservancy District (organized and existing under the Conservancy District Act of the State of Indiana) owns and operates a not for profit water utility serving 2,200 customers with a population of about 5,200.

L.M.S. Conservancy District is located in Southeastern Indiana in central Dearborn County.

The Board of Directors of the L.M.S. requests a 30 day filing procedure in seeking a new schedule of increased tap fee, reconnection fee, non sufficient fund check charge, and delinquent charges.

The current rates and charges for metered water will remain unchanged.

Before any new services can be connected to the L.M.S. Water System, there is a tap fee charged to cover the cost of excavating and tapping the main, furnishing and installation of pipe from main to the property easement, and furnishing and installing meter vault, yoke, and meter.

The current charge for a 5/8" residential meter service is \$1,275.00. Due to increased cost of material and labor, the Board of Directors proposes to increase the water tap fee to \$1,650.00.

As of May 22, 2007, the Board noted and presented a resolution to start a program in install automatic radio meter reading equipment, which is included in the proposed new tap fee. This installation is still ongoing.

The Board of L.M.S. wishes to increase the charge for reconnection of service from \$50.00 to \$80.00, again to cover cost of increasing labor. (See attachment)

The Board of L.M.S. wishes to increase the non-sufficient check fee charge for a returned check from \$25.00 to \$45.00, also because of the increased cost of office labor and supplies. (See attachment)

The Board of L.M.S. wishes to increase the delinquent fees from 10% of the first \$3.00 and 3% of the balance to 10% of the first \$5.00 and 5% of the balance, because of increased cost of office labor and supplies.

Engineering Minutes

The Utility Board of Directors of the L.M.S. Conservancy District proposes a change of tap fee from \$1,275.00 to \$1,650.00, an increase of reconnection fees from \$50.00 to \$80.00, an increase fee for NSF bad check charge from \$25.00 to \$45.00, and delinquent fee from 3% of the first \$3.00 and 3% of the balance to 10% of the first \$5.00 and 5% of the balance.

The Board cites the increase in the cost of labor, automated meter reading equipment, and increased cost of other materials as the reason for the change.

Cost support for the change has been provided and attached.

The tariff sheet affected by the filing is attached.

Detailed Letter

Our proposed increase in tap fee is largely due to increased cost of material and labor since our last rate approval in July 1999 and the additional cost of changing over to ARM equipment. Cost of tapping all sizes of mains has been figured and averaged and the same done for labor of line side settings and a road bore. The last year was an even split of 9 line side and 9 road bores. Using the attached cost breakdown, we propose this increase fee average of material to be \$557.65. The average labor is \$1,036.06, for a total of \$1,593.71. Using the attached cost breakdown sheet we proposed this new tap fee to be increased from \$1,275.00 to \$1,650.00. We ask for the additional \$56.29 to cover proposed cost of living raises to employees at the December 2011 meeting for the 2012 wages.

Average Material	\$ 557.65
Average Labor	<u>\$1,040.30</u>
Total	\$1,597.95

Reconnection work orders are usually worked in with other duties, but occasionally due to time conflicts, a special trip must be made. Using the attached cost sheets we propose to increase the reconnection fee from \$50.00 to \$80.00.

Labor 1 Hour & Service Truck	\$53.10
Superintendent ¼ hour	\$11.16
Office ½ Hour	<u>\$14.13</u>
Total	\$78.39

We are encountering an increasing number of non sufficient fund checks being returned from the bank. The bank charges our account a \$15.00 fee, and usually two phone calls and a visit is necessary. Using the attached cost sheets, we propose to increase our NSF fee from \$25.00 to \$45.00.

Bank fee charge	\$15.00
1 Hour Office help	<u>\$27.59</u>
Total	\$42.59

We are encountering an increasing number of accounts going delinquent 2 to 3 months. We are proposing an increase of the delinquent fee from 10% of the first \$3.00 and 3% of the balance, to 10% of the first \$5.00 and 5% of the balance.

L.M.S. Conservancy District Board Meeting

Jan. 10, 2012

Board members present: Wayne Montgomery, Jerome Gilb, Dave Hizer, Kathy Dils and Michael Worthington

Also present: Melvin Craig and Hershell Gossett and John Stroup, LMS Attorney,

Minutes from the Dec. 13th., 2011 meeting were approved, Motion by Dave Hizer ,
2nd:Kathy Dils

Bank Balance approved at \$82,731.27 as of 1-10-2012

WE, the Board of Directors, have agreed to proceed with a 30 day filing process to increase tap fees, reconnect fees, delinquent fees and NSF Bad check fees.

Due to increased cost of materials and labor a motion was made by Dave Hizer and 2nd by Jerome Gilb to propose an increase of the Tap Fee from \$1,275.00 to \$1,650.00 motion carried.

Due to increased cost of materials and labor a motion was made by Kathy Dils and 2nd by Dave Hizer to propose an increase of the Re-Connect Fee from \$50.00 to \$80.00 motion carried.

Due to increased cost of materials and labor a motion was made by Michael Worthington and 2nd by Jerome Gilb to propose an increase of the Delinquent Fee from 10% of the first \$3.00 and 3% of balance to 10% of first \$5.00 and 5% of balance motion carried.

Due to increased cost of materials and labor a motion was made by Michael Worthington and 2nd by Kathy Dils to propose an increase of the NSF/Bad Check Fee from \$25.00 to \$45.00 motion carried.

Melvin Craig checked into the mileage deduction and it is supposed to be \$.44 per mile.

Dearborn County has sent another request to go paperless with their bill payments, however the wording is still such that would allow them to withdrawal over payments from our account, after discussion, no action was taken.

*Motion made to adjourn by Jerome Gilb and 2nd: Kathy Dils

Tax payers shall have the right to be heard and/or to present written testimony on the budgets, tax rates and tax levies as adopted by the above named taxing units.

The following only apply if the County Board of Tax Adjustment or County Auditor modifies the budgets, tax rates, or tax levies of a political subdivision: Ten (10) or more taxpayers or one (1) taxpayer that owns properly that represents at least ten percent (10%) of the taxable assessed valuation in the political subdivision may initiate an appeal from the modification of a political subdivision's budget, tax rate, or tax levy by filing a statement of their objections with the County Auditor. The statement must be filed not later than ten (10) days after the publication of the notice required by IC 6-1.1-17-12. The statement must specifically identify the provisions of the budget, tax rate, or tax levy to which the taxpayers object. The County Auditor shall forward the statement, along with the taxing unit's budget, to the Department IC 6-1.1-17-13.

A political subdivision may appeal to the Department for an increase in its tax rate or tax levy as modified by the county board of tax adjustment or the county auditor. To initiate the appeal, the political subdivision shall file a statement with the Department not later than ten (10) days after publication of the notice required by IC 6-1.1-17-12. The legislative body of the political subdivision must authorize the filing of the statement by adopting a resolution. The resolution must be attached to the statement of objections, and the statement must be signed by:

(1) In the case of counties, by the board of county commissioners and by the president of the county council.

(2) In the case of all other political subdivisions, by
